

VI OPEN CATALONIA INTERNATIONAL

PITCH & PUTT PAPALUS LLORET DE MAR 23rd-25th March 2012

With the objective of organising a successful International Open which will be celebrated on March 24th and 25th of 2012, at the Pitch & Putt Papalús Lloret de Mar course, the Tournament Committee has established a preliminary pre-inscription date of 1st February 2012 in order to ascertain the approximate number of participants attending the tournament, especially those from other FIPPA associations. This will allow the organising committee to estimate the potential dimension of the event. The definitive **closing date for inscriptions is February 15th 2012.**

Those players, pre-inscribed, will have first preference and will be allocated guaranteed participation assuming they comply with the prerequisite norms applied to the competition. In case a FIPPA member association exceeds the suggested limit of available places, every effort will be made to accommodate those players in the likely event of vacancies from other FIPPA member organisations.

PARTICIPANTS

The initial regulations for inscription are:

5 players per member organisation of FIPPA.

30 players reserved for affiliated playing members of the hosting member FCPP.

5 players reserved as invitations at the pleasure of the hosting club.

20 players reserved on behalf of the organising committee.

The Catalan Federation of Pitch & Putt will determine which Catalan players will have direct placement based on the most recent Catalan championships and the current Ranking League. Subsequent places for local participants will be determined by means of an open qualifying competition, so as to allow all those interested a possibility to attend the Open. The qualifying competition will be held on the 16th, 17th and 18th March 2012.

The international competition itself will be held on the 24th and 25th March with a total of 108 participants. There will not be a "cut".
